

JUSTICE

FOR RESTAURANTS

THE HOSPITALITY INDUSTRY HAS BEEN DEVASTATED BY THE COVID-19 PANDEMIC AND MANY INSURANCE COMPANIES ACROSS THE COUNTRY ARE DENYING RIGHTFUL BUSINESS INTERRUPTION CLAIMS FROM RESTAURANTS THAT HAVE FAITHFULLY PAID THEIR COSTLY PREMIUMS FOR DECADES. WE THINK THIS IS WRONG AND ARE SEEKING JUSTICE ON YOUR BEHALF.

HOW TO ACT

SUBMIT A CLAIM

Submit a claim to your insurance company following the government ordered shutdown of all or part of your business. This is time-sensitive and it is critical to file a claim within your current policy period.

CONTACT OUR TEAM

Upon claim denial, visit lieffcabraser.com/covid to begin a conversation about how to recover your losses. Even if you have a virus exclusion clause in your insurance policy, there is action that can be taken.
